

# The Hakka Club

At The Hakka Club, every bite brings back a memory.

From the sizzle of chilli paneer on a hot plate to the comforting spice of hakka noodles, our dishes are a throwback to the golden days of Indian Chinese—bold, vibrant, and unmistakably desi.

We fuse tradition with a modern twist, crafting flavours that hit just right—whether you're here for a quick fix or a full-on feast with friends.

Because here, food isn't just about eating. It's about laughter, stories, late-night cravings, and childhood favourites—served fresh, the way you remember.

A hand holding a green folding fan with a tassel, next to a glass of a frothy drink. The background is warm and orange-toned, suggesting a sunset or indoor lighting. The fan has a decorative pattern of small white dots and triangles. The drink is in a tall, elegant glass and is topped with a thick layer of white foam. A small glass with ice is also visible in the lower left corner.

Cool, comforting, and crafted to refresh — just like the ones that made summer afternoons and late-night laughs unforgettable.
