## SMFA PRESIDENT'S MESSAGE

### FINDING OUR PLACE

2026 brings a lot of change for our family, as we have relocated to Saskatoon from North Battleford. The new routines, people and surroundings are prompting me to consider how we will fit in and contribute to the community.

Likewise, the SMFA board and staff continue to consider how to provide all musicians and spoken word artists comfortable and inspiring places to share their creativity - where each person feels valued and welcomed.

Finding our place in a community is central to the human experience and provides benefits to mental and physical well-being. I hope that every volunteer, participant, teacher and adjudicator find that they are part of something that brings satisfaction and joy, and that the relationships they build are life-giving.

I am honoured to work as president of the SMFA. Board members and staff inspire me with their energy and ideas. At festivals, volunteers amaze me with their commitment, adjudicators give me new strategies, and performers bring me joy!

As each of us finds a place in the vibrant Saskatchewan festival movement, we will do our part to realize the hope of our mentor, Mossie Hancock: "Music for One, Music for All".

## PRESIDENT'S MESSAGE

Welcome to the Rosetown & District's 97th Annual Music Festival. This week of festival performances are the result of many hours of preparation and dedication by the students, parents, teachers and accompanists in our community. We are grateful for their commitment to the performing arts, which is vital to the continuation of this organization.

The Rosetown Music Festival would not be viable without the wonderful volunteers and sponsors who so generously offer their time and resources. Please take note of the many individuals and organizations whose financial support helps make this festival a reality.

We have seen an increase in entries this year, due in large part to our Speech Art's Specialist, Brenda Ormsby, who encouraged and guided so many students to participate in the Spoken Word classes. We also appreciate the cooperation of everyone at Walter Aseltine School and look forward to hosting our Friday sessions there.

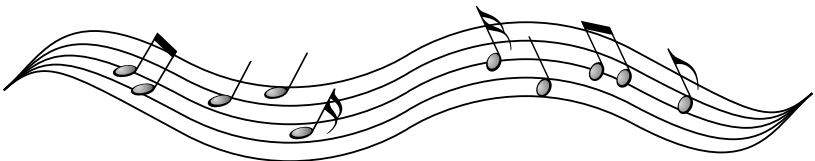

We warmly welcome to Rosetown our esteemed adjudicators from Saskatoon, Jhena Dela Cruz and Anna Marie Bekolay, who will provide performers with constructive written and verbal feedback to support their musical growth.

Special thanks to St. Andrew's Anglican / Trinity Lutheran Church for housing the Music Festival's grand piano and hosting this year's Music Festival. We also look forward to celebrating the 25th anniversary of the grand piano's purchase in November 2026.

Most sincere thanks goes to the Rosetown Music Festival Committee members, whose tireless efforts and unwavering commitment make this event run smoothly. Their time and talents are deeply appreciated, as each brings valuable skills, experiences, connections and ideas to the organization. Together, we strive to keep the Rosetown Music Festival alive, vibrant and financially sustainable for the entire community.

“The true beauty of music is that it connects people. It carries a message, and we, the musicians, are the messengers.” —Roy Ayers

## ROSETOWN MUSIC FESTIVAL VOLUNTEER AWARD

Claire Seibold, president of the Rosetown & District Music Festival Association, has been recognized for her decades of dedication to music education and festival work with the Saskatchewan Music Festival Association's District Music Festival Volunteer Award.

Seibold received the award at the SMFA and Saskatchewan Registered Music Teachers' Association joint conference, held at the University of Saskatchewan on Oct. 24 and 25, 2025.

A native of a farm near Brock, Seibold grew up surrounded by music and horses. She began piano lessons in Kindersley with Lela Bourne and later earned a Bachelor of Music in Performance from the University of Saskatchewan, studying piano with Robin Harrison and organ with Harry Abley. She also completed an ARCT Teachers' Diploma from the Royal Conservatory of Music and is a Certified Advanced Teacher of piano, theory, and history.

Seibold has been teaching piano and theory in Rosetown for more than 40 years. She has served on the Rosetown Music Festival Committee since 1982, holding every executive position except treasurer, and currently serves as president. Under her leadership, the festival has maintained high standards and professionalism, with Seibold actively encouraging students, engaging community sponsors, and welcoming volunteers.

"She brings an intangible enthusiasm for music and the festival to the entire Rosetown community," said Debbie McCulloch. "There is no job, large or small, that Claire won't do to promote, organize, and oversee this most successful festival."

Seibold has also contributed her expertise to the Saskatchewan Music Festival Association at the provincial level and adjudicates at district festivals across Saskatchewan. Her valuable experiences with music festivals from a young age continue to inspire her work, ensuring that local youth have similar opportunities to perform and grow.

The Rosetown Music Festival, under Seibold's leadership, is on track to celebrate its 100th anniversary in 2029, a milestone she is committed to reaching with the same dedication and care that has defined her career.

Claire was also presented with an Adjudicator Excellence Award by SMFA.

## Vocal Adjudicator Anna Marie Bekolay

Anna Marie Bekolay, BMusEd, ARCT is a multidisciplinary artist who creates evocative audience experiences through collaborative work with several regular music projects as well as freelance work, teaching, and adjudicating. She won a Gold Medal for her Voice Performance Associate diploma with the Royal Conservatory of Music in 2006 for the highest mark in the country. Anna absolutely adores teaching in her studio and adjudicating at festivals because these offer her so many opportunities to learn about how people learn music & how they explore expressive possibilities in their musical experiences. Several years ago, Ms Bekolay designed a piano study course she calls “Creative Piano” where students of all levels explore scales, patterns, common chord progressions, &

some practical theory before embarking on learning or writing pieces of music – in this way, they learn about the patterns in music and can use that knowledge creatively throughout their musical explorations.

Her current regular performing projects include Celtic ensemble Back of the Bus, folk/prog-rock group The Whiskey Jerks, Mac Talla Quartet, and Skaravan. Anna recently guested with Nigerian-Canadian group Morit Music lead by Moses and Rita Idowu (backup vocals & violin lines), Saskatoon Men’s Chorus directed by Deborah Buck (recorder & violin soloist Dec 2024), Prince Albert Concert Choir directed by Perry Acorn (violin soloist & orchestra member: violin & percussion winter 2024), Eclipse Chorus directed by Roy Sydiaha (spring & Dec 2025 along with Mac Talla Quartet), and several times, she has had the privilege to play with the string orchestra for the International Saito Conducting Workshop lead by Wayne Toews. Anna was also involved in Free Flow Dance Theatre’s Back Alley Antics 2024 playing her composition “A Song for Lost Time” on a Giant Double Bowed Psaltery made by luthier Weldon Gray of graylorelutes.com. This piece was later used for a choreography called “Echoes” created by Jackie Latendresse & Free Flow Dance Theatre for a November 2025 event. In October 2024, Anna played for the release of Cassandra Stinn’s album Returnings. Returnings has returned to the stage a couple times since then – including one time with choreography in Free Flow Dance Theatre’s 30th Anniversary show (March 2025).

In 2025, Anna Marie Bekolay released an album on Bandcamp.com called Light. This album, created out of a collection of improvised vocalises, represents how her DanceSpace Concerts begin: an improvised vocalise and improvised movement/dance designed to inspire all present. In her DanceSpace Concert Series, Anna invites the audience on an emotional journey through artistic music programming & collaboration with a variety of musicians and dancers. The most recent DanceSpace Concerts include Music from the Golden Age of Piracy 1680 – 1720 in October 2024 and Witch & the Cycle of Feminine Archetypes in November 2025.

Anna is excited about The Whiskey Jerks’ 2025 album Solid Gold that includes her song “Misdirection” – the best answer to any of life’s challenges is songwriting!

Her greatest joy is being fully present while developing connections through sharing music with students, band mates, and audiences alike.
